

Smarty Bee®

the waterless replacement cartridge that

*Saves you Money,
Time & Effort.*

***Easy to Install • Easy to Replace
Easy to Maintain***

Smarty Bee® is a Smarter Solution
for most waterless urinal systems.

Our innovative cartridge:

- Best odor control
- Eliminates the need for costly sealant
- Reduces housing & drain line sediment
- Allows for use of water to flush cartridge & drain line
- Enables the use of ANY standard cleaners
- Extends cartridge life

Smarty Bee® cartridges are compatible with most waterless systems AND comply with industry standard and applicable plumbing codes.

Unique & Innovative

The highly-efficient trap maintains a proper seal without the use of costly sealant.

The **trap dome** activates deodorizing fragrance with every use and releases surfactants into the trap.

Looks great, works great as part of your overall waterless urinal system.

Simply, A Smarter Design

How it works

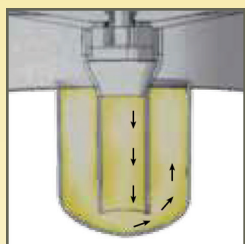

1.

Liquid flowing over Dome releases fragrance & surfactants.

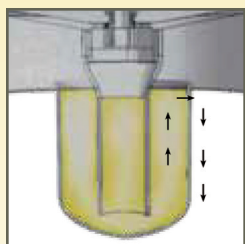

2.

Trap retains enough liquid to create proper seal & turns over the rest.

3.

Excess liquid flows into drain line.

Smarter Savings

SAVE TIME AND EXPENSE:

- No more special cleaning chemicals
- No more constant cartridge changes
- Reduce cartridge odor complaints
- Easier maintenance for blockages

Smarter Maintenance

- Quick and easy cartridge installation and dome changes
- Use any standard cleaner you want
- Pour water any time
- Easier Smarty Bee® does all the work for you!

Smarter Effectiveness and Reliability

- Optimized trap design
- Complies with industry standard and applicable plumbing codes
- Compatible with most waterless systems
- Keeps facilities looking clean and living "green"
